

## Report of Industrial Visit

Department of Economics had organized an **industrial visit** for all the Post graduate students where the students were taken to the "Perfect Firebricks Private Limited", Maneri, Jabalpur (Madhya Pradesh) on 16th September 2017. Manager of the industry Dr. A.K. Vishwas, showed the entire factory and its functioning. He explained in detail about the raw materials, machines, production process, marketing strategies and the impact of government policies like demonetization and GST on the firebricks industry.
