

PLACEMENT CELL

Mission “To empower students to face the challenges in their career.”

Vision “To be a comprehensive source of career options for the students of the college”

Objective “Providing every graduate student with a career option”

Placement coordinator:- Mrs Pearly Jerry

Student Interns: Shradha Agrawal and Umesh Kumar , BBA 6 Semester

Placement Cell is committed to provide all possible assistance to its graduates in their efforts to find employment. This commitment is demonstrated by the existence of a full time professor in charge. The benefits of this assistance are reflected in the preparation of students who are able to secure lucrative and esteemed positions in recent years. Placement service operates year round to facilitate contacts between companies and graduates. Placement coordinators along with the Placement interns(students of BBA – HR specialization) are available to respond to student's question and concern of all kinds. This includes advice on placement procedures, help with preparation of applications and resumes and practice for interviews. The aim is to ensure that students have the information and skills necessary for an effective job search. Those considering careers in education or in related fields are offered detailed career guidance at the Placement Cell. All advice is based on up-to-date placement statistics and an envisioned view of future and educational and industrial trends. Every efforts is undertaken to create opportunities for our students to get placements. We hope to reach maximum placements level in the years to come.

Campus recruitment drives are undertaken by inviting companies from the private. A public and government sector to place Institute's students at entry level managerial postions.Placement assistance is provided

industry sector-wise as well as by functional area wise. For this purpose, the institute has a placement cell which keeps continuous interaction with industry, business houses, multinationals and the public sector undertaking with a view to provide appropriate and timely career opportunities to its students.

Placement cell drive activities
